A Word from the Principal

Dear Families,

Our Lady of the Sacred Heart Primary School in Elmore, is steeped in tradition and has formed an integral part in the lives of the many locals who have passed through our doors.

As a school we are dedicated to ensuring that every child is given access to the skills and knowledge that will positively shape the remainder of their lives.

School should be a place where students are affirmed, challenged and encouraged to push beyond the limits that they themselves, or society, might otherwise place upon them. Our children should leave school not limited in their thoughts and expectations of themselves, but rather, believe that they are capable of being a positive contributor to the world.

As a Catholic school, OLSH is dedicated to the teachings of Jesus and the values of the Catholic Church. We are part of the Catholic Diocese of Sandhurst and Fr. Ashley Caldwell is the leader of our broader parish community.

Our staff are inspired by the knowledge that we are a major influence on the lives of the students we get to work with every day. We acknowledge that we are partners with parents, and the broader community, in shaping students' lives and in positively influencing their everyday choices. We know that we get better by working together and that positive relationships, coupled with appropriate challenge, helps everyone to improve at what they do.

Our children deserve nothing less than our best endeavours to help them fulfil their potential. As a staff we are totally dedicated to ensuring that the teaching methods we adopt and the learning opportunities we bestow upon the children, are informed by the best evidence we have available as to how learning happens. We will continue to learn and grow together, for our own development and most importantly for that of the children we have the honour of working with.

Finally, thank you for the privilege of choosing OLSH Elmore, to partner with you in helping your child be their best. Communication is the key to a successful relationship, so please let us know whenever you have something that you need to discuss.

Kind regards,

Craig Simpson
Principal

Vision & Values

Identity Statement

Our Lady of the Sacred Heart School is a community that is learning and living in the tradition of the Daughters of Our Lady of the Sacred Heart.

Vision Statement

We believe that Our Lady of the Sacred Heart School is a community in which:

- The OLSH story and traditions and the Gospel values are integral to our identity and principles
- The care, safety, wellbeing and inclusion of all children is central to our purpose
- Our community builds partnerships between students, parents and staff
- We educate the whole child in an engaging learning environment in which teamwork and collaboration are central to students reaching their potential
- All children have the opportunity to learn in a nurturing and stimulating environment
- Learning and teaching is fundamental to building independent and motivated learners.
- Our teachers are active, passionate and engaging

Democratic Principles

Our Lady of the Sacred Heart School is committed to delivering programs and teaching in a manner that supports and promotes the principles and practice of Australian democracy.

- We believe in an accountable, democratically elected government
- We respect and observe the rule of law and believe that no person is above the law
- We believe in equal rights for all before the law
- We believe in the freedom of religion and the need to practice tolerance and understanding of others beliefs
- We believe in the freedom of speech and freedom of association, but also acknowledge that we have the responsibility not to abuse this freedom
- We believe the values of openness and tolerance and value and respect all members of the school community regardless of background.

Graduate Outcomes

Our Lady of the Sacred Heart School seeks to educate students to be:

We are committed to learning for all

We believe that every child has the opportunity to learn

We expect nothing less than personal best.

We will set goals for learning.

We will make learning visible.

We will welcome, support and include all.

We will respond to individual student needs.

We believe students are at the centre of all learning

We strive to achieve more than one years growth in one years time for every single learner.

We will challenge our students and expect growth.

We will know our learners.

We will enable capable, confident, and reflective learners.

We will own our learning.

We will make learning our priority.

We believe students have different styles of learning and learn best when challenges build on existing knowledge.

We teach to empower students to become confident and creative learners.

We will always plan for learning rather than content.

We will understand that mistakes are part of a successful learning journey.

We will encourage students to be risk takers and try new things.

We understand ourselves as individuals who learn from each other in many different ways

We work together to achieve common goals, through open and trusting relationships.

We will listen to student voice in the learning.

We will celebrate achievements and differences.

We will learn from each other

We will provide opportunities for student to work together and support one another.

We will encourage students to contribute positively with and actively listen to their peers.

We are  People who TOUCH the  of others

Learning & Teaching at OLSH

We acknowledge that all members of our school community will thrive when they are part of an environment that supports their internal motivational needs of autonomy, connectedness and competency. In other words, it is critically important that staff and students of OLSH feel that they have some control over their learning choices, that we feel connected and in close relationship with one another and that we can clearly see how we are improving in the various areas of school life.

At OLSH we are committed to providing the best possible learning experience for the students of our school. Our staff are on a journey to ensure that the teaching methods we use and the learning experiences we provide for our learners, are embedded in practices that have the greatest possible positive impact on student learning. We use evidence gleaned from research, and from our own teaching experiences, to ensure that our students are constantly exposed to learning and teaching methods designed to continuously move them on an upward learning trajectory.

Our learners will come to understand that learning is something that requires effort, that mistakes can be valuable learning experiences and that to retain what we learn we need to return to it multiple times throughout the course of the year.

Our staff understand that different students require different levels of adjustment to help them succeed. We also understand that when a child is successful this drives their motivation to be successful again in the future. Whilst not all children are at the same level at the same time, every student is capable of advancing their learning throughout the course of each school term.

What we know about learning is growing significantly through advances in techniques and technologies that help us delve deeper into the brains and minds of learners as they learn. At OLSH, we are committed to keeping abreast of these findings so that our learners continue to learn, grow and become the best they can be.

Assessment & Reporting

Our Assessment & Reporting policy focuses on what children learn and the way they learn. We aim to provide information to parents, children and teachers in a clear and concise manner.

- **Learning Conversations:** We aim to hold Learning Conversations at the beginning of Term 1 and Term 3. These meetings are an important tool to review students progress and set learning goals for the coming semester.
- **Written Reports:** Reports are distributed at the end of Term 2 & 4. These reports contain vital information on what has been achieved in the previous 6 months and outline the progress that has been made.
- **SeeSaw:** The SeeSaw app is a simple way for teachers and students to record and share what's happening in the classroom. At the end of each term our teachers upload Math & English work samples to demonstrate student progress.
- **Parent Meetings:** Parents are welcome to make appointments outside of scheduled Learning Conversations to discuss their child's progress. Please contact your child's classroom teacher to make an appointment as a mutually acceptable time.

Programs

Swimming & Gym

All students from Foundation – Year 6 participate in a swimming and gym classes for 4 consecutive weeks in Term 4.

School Garden

A hands-on program where children learn about plant care, propagation & gardens. This programme is facilitated with the help of parent volunteers.

Camps & Excursions

At OLSH every child will have the opportunity to take part in the excursion programme. Most excursions are covered by the levies paid by families.

Students from Year 3 – 6 participate in camp along with other students in the Government Schools Campaspe Cluster. All students are encouraged to attend their respective camps. These camps are at an additional cost to the school fees and levies. Camps alternate as listed below each year. Please discuss any concerns with your child's teacher.

- Year 3 & 4 – 2 nights – Camp Kookaburra, Corop / Billabong Ranch, Echuca
- Year 5 & 6 – 2 nights – Burnside Camp, Anglesea / Canberra Camp

Library

Each week all students have the opportunity to access the school library where they can select books to read at their leisure that align with their personal interests. Our library is well stocked with a range of both fiction and non-fiction texts.

Sporting Opportunities

Students participate in a number of sporting events such as athletics, cross country and swimming, as well as team sports including football, soccer and netball. These events are often held in conjunction with other schools in the Government Campaspe Cluster.

2023 School Fees

In 2023 the school fees and the curriculum levy have both increased by 3% in line with the Educational Consumer Price Index (CPI). All fees and levies have been reviewed and endorsed by your School Advisory Council.

We have decided again not to charge our families the Capital & Maintenance Levy. This may change in the coming years. The School Fee is charged per family and is tiered for 1 and 2+ families. Student Levies are charged per student and are structured according to year level. They include: a Curriculum & Information Communication Technology (ICT) Levy and a Camp, Sport, Excursion & Other Levy.

Points to Note:

- The Camp, Sport, Excursion & Other Levy is charged to individual students to help cover the cost of sports, sport coaching, incursions, excursions, workshops and extra activities. Years 3 to 6 pay an additional amount towards the Campaspe Cluster activities.
- The levy to help cover the cost of ICT in the classrooms has increased across all grades this year with Years 5 & 6 students paying a higher amount to reflect their greater access to technology.
- The discount on the cost of the camps for Years 3 & 4 and 5 & 6 has reduced from 15% to 10%.

Allowances

Conveyance Allowance

The Conveyance Allowance may be available for families who live more than 4.8km from this or any other Catholic School, and/or who live 4.8km from the closest free country school bus stop and drive their child/ren to school. Please contact the school if you think you may be eligible for this allowance

Camps, Sports & Excursion Fund (CSEF)

Families who hold a current Pension or Healthcare Card are asked to apply for this funding as it helps the school to cover the costs of travel and sporting activities that occur during the year, not just the scheduled camps for Grades 3 to 6. If you have applied in past years, your student will remain funded while your card is active. Any new students will need to be included in a new application. Please see the school office for a form.

Healthcare Card Holders

Families who are eligible for a current Pension or Healthcare Card may qualify for further fee assistance and are asked to contact the office.

Things to consider

- Please make sure your child's property is clearly marked with his/her name
- Jewellery is not permitted. Earring should be plain studs or small sleepers.
- Hair that is shoulder-length or below must be tied back.
- Hair accessories are not encouraged

Parental Involvement

School Advisory Council

The School Advisory Council is made up of a group of parents and the Principal. The Advisory Council takes the place of the previous School Board and Parents & Friends committee.

Meetings are held on the Tuesday of Week 6 each term.

Volunteering

Our Lady of the Sacred Heart is a Child Safe School. We promote the safety, wellbeing and inclusion on all children. OLSH encourages parental involvement, and in line with Ministerial Order 1359, we adhere to the Child Safe Standards and ask that all school volunteers:

- Complete a Volunteer Application form
- Sign & agree to the School Code of Conduct
- Provide a copy of a valid Working with Children Check
- Participate in an induction interview or meeting (if requested)

Fundraising

The OLSH parent community work together to assist the school to provide the best resources for their children. Additional school funds are often sourced through our fundraising efforts. Fundraising at OLSH is mainly comprised of our volunteer efforts at the Elmore Field Days and the Elmore Charity Ball.

Strong community and parent support at these two events will often meet our entire fundraising budget for the year.

Parent Information

Attendance

Absences

All students are expected to attend school each day. If your child is going to be absent for any reason, please notify the school as soon as possible. Where possible, appointments should be made outside school hours to minimise missed class time.

Notification to the school can be made by phone, email or by entering a *Parent Notified Absence* on PAM/Simon Everywhere.

Parents/guardians will be contacted after 10am if no notification has been received. Should the school be unable to contact the parent/guardian, emergency contacts may be contacted to verify the location of the student.

Late Arrival/Early Departure

Children arriving late to school or being picked up early must be signed out at the school office by an accompanying adult. If the office is unattended, the accompanying adult must contact the classroom teacher.

Arriving at School

Supervision begins at 8.30am, students should not arrive prior to this time unless arrangements have been made with the principal. Bus students will be supervised from the time their bus arrives each day.

Children are encouraged to be at school prior to 8.55am. This gives children the opportunity to prepare for their learning, meet with friends and get settled before teaching time starts.

Dismissal

Students are dismissed at 3.25pm. When collecting your child, you are asked to wait outside the front of the school. Students will not be allowed to move from the front of the school if staff cannot see their parents unless the school has been notified of alternate pickup arrangements.

Students who catch the late bus will be supervised until their bus arrives.

Enrolments

Prospective parents are encouraged to contact the school at any time to discuss education options for their child.

Parents wanting to enrol a child at Our Lady of the Sacred Heart Elmore should complete an Application for Enrolment Form and return it to the school along with a copy of the child's Birth Certificate, Immunisation History Statement, and Baptism Certificate (if applicable).

Upon receipt of an application for enrolment, the Principal will make an enrolment decision, considering the school's enrolment capacity, the enrolment priority criteria and the school's ability to meet the education needs of the student. The Principal (or nominee) will notify the family of the outcome of the enrolment decision as soon as practicable.

Families who enrol their children at Our Lady of the Sacred Heart Elmore do so on the understanding that they respect and agree to support the Catholic identity, ethos and mission of the school and acknowledge the importance of religious education for their children. All students, including those of a non-Catholic background will be expected to participate in all religious activities (except the receiving of Sacraments)

Foundation enrolment age requirements: A child is eligible to enrol in Foundation for the school year in which they turn five, if their birthday falls on or before 30th April. However, parents may choose to have their child start school the following year. Students whose birthday is after 30th April, will be eligible to enrol the year following their fifth birthday.

Lunch Orders

Lunch Orders are available on Thursdays in partnership with the Elmore Bakery.

A Lunch Order menu is supplied to the school. Only items on the Lunch Order menu can be ordered for school lunches. Orders are placed by writing your child's name and class on an envelope along with their order. Payment is to be enclosed. Small coins can slip out the top of envelopes, so we recommend that you seal or fold them up. Please note that change cannot be given.

Medication

Staff at Our Lady of the Sacred Heart are unable to administer ANY medication to a student without authorisation from the prescribing medical practitioner or pharmacist.

All parent requests for the administration of prescribed medications to their child must be in writing on a Medication Authorisation Form (available from the school website or office) and must be signed by the prescribing medical practitioner or pharmacist.

The form must include the name of the student, dosage and time to be administered. All medications must be provided in their original packaging including pharmacy label.

For the administration of asthma reliever medication (Ventolin, Asmol etc.) an Asthma Action Plan, completed and signed by a medical practitioner, takes the place of the Medication Authorisation Form.

Newsletter

A school newsletter is created and distributed each week on a Thursday. The newsletter is a vital form of communication between the school and home and we ask that parents take the time to read it.

The newsletter is sent out via email and is available on the school website.

School Bus

There are 2 school buses that provide transport for students from OLSH. These buses are coordinated by the Government School Bus Management System and the corresponding public school (Rochester Secondary College & Elmore Primary School). More information about applying to catch one of these buses is available from the school office.

SIMON

Our Lady of the Sacred Heart utilises SIMON for many day-to-day operations of the school including attendance monitoring, excursion permissions, medical profiles and school reports.

The *Parent Access Module* (PAM) of SIMON (and its partner app *SIMON Everywhere*) enables parents to access the above functions. Families will be provided with a log in for PAM upon enrolment of their first child at OLSH. This log in will remain the same for the entirety of your time with us.

Outside School Hours Care

OSHClub is an after-school care program running each afternoon at Elmore Primary School. Students at OLSH are able to attend OSHClub and are transported to Elmore Primary School by bus at the end of the school day.

For more information about OSHClub at Elmore Primary School, visit <https://www.oshclub.com.au/vic/elmore-primary-school/>
