

Our Lady of the Sacred Heart School Elmore Child Safe Policy July 2016

Purpose:

This policy was written to demonstrate the strong commitment of the whole school community of Our Lady of the Sacred Heart School Elmore, leaders, staff, volunteers, students, their families, to child safety and to provide an outline of the policies and procedures developed to keep everyone safe from harm, including all forms of abuse.

COMMITMENT TO CHILD SAFETY

All students enrolled, and any child visiting, have a right to feel safe and be safe. The wellbeing of children in our care will always be our first priority and we have zero tolerance to child abuse. We aim to create a child safe and child friendly environment where children feel safe and are free to enjoy life to the full without any concern for their safety.

CHILDREN'S RIGHTS TO SAFETY AND PARTICIPATION

The staff and volunteers of Our Lady of the Sacred Heart School Elmore encourage students to express their views. We listen to their suggestions, especially on matters that directly affect them. We actively encourage all students to openly express their views and feel comfortable about giving voice to the things that are important to them.

We teach students about what they can do if they feel unsafe. We listen to and act on any concerns students, or their parents or carers, raise with us.

VALUING DIVERSITY AND INCLUSION

We value and celebrate diversity, especially cultural diversity, and we do not tolerate discriminatory practices. To achieve this we:

- promote the cultural safety, participation and empowerment of Aboriginal students and their families
- promote the cultural safety, participation and empowerment from culturally and/or linguistically diverse backgrounds (CALD) and their families
- promote the personal safety, participation and empowerment of students with a disability and make them feel welcome and part of all aspects of school life

RECRUITING STAFF AND VOLUNTEERS

Our Lady of the Sacred Heart School Elmore will apply the most thorough and rigorous standards in the recruitment and screening of staff and volunteers. We interview and conduct referee checks on all staff and volunteers and require police checks and Working With Children Checks (WWCC) for all staff and

volunteers. Our commitment to Child Safety and our screening requirements are included in all advertisements for staff and volunteer positions.

Elizabeth Trewick has been appointed as Child Safety Officer with specific responsibility for responding to any complaints made by staff, volunteers, parents or students in relation to Child Safety.

RISK MANAGEMENT

Risk management is an approach that minimises the potential for child abuse or harm to occur. Our [Supervision Policy](#) outlines and details all aspects of risk across our whole school environment (on site and off site school activities) with specific activity risk assessments. In addition to our general Occupational Health and Safety risks, we proactively manage risks of abuse and harm to our students.
