From the Principal ...

Dear Families,

Welcome back to Term 4. I hope that you all managed to enjoy the change in routine that the school holidays bring about, but I'm also sure that it is lovely to send your kids back to school this week. Term 4 promises to be action packed, with many activities planned and lots going on. I will do my best to ensure that you are kept well abreast of what lies ahead, but please don't hesitate to contact the office if you have any questions at any time.

ELMORE FIELD DAYS

Thank you so much to those people who were able to support in any way in relation to the Elmore Field Days. Some people in our school community have put in an exceptional amount of time and effort, which is just amazing. As previously mentioned, the school's assistance at the field days ensures that we are recipients of a significant monetary donation, which is the cornerstone of our fundraising efforts for the entire school year. When I know what this amount is I will pass it onto our community.

MISSION DAY

We have scheduled Mission Day for Friday 4th November. As I have previously mentioned, most of us on staff are new to this, but we are endeavouring to do the spirit of the day justice. With that in mind though, we are also happy to make some adjustments so that the day reflects our current ideals, values and strengths, whilst still holding true to the integrity of the day, which is to raise funds for children in Sudan, who are supported by another OLSH community.

Also, please note that we are opening up this event to the wider community, therefore it would be totally appropriate to run a cake stall on this day - so, would it be possible for families to be able to donate a slice, or cake, or sponge or a combination of sorts to help out on this day?? Many thanks in advance!!

REGIONAL ATHLETICS DAY

Good luck to Scout Hayes who is competing in the Regional Athletics day in Shot Put next Monday. I will let you know next week how this went for Scout.

SEESAW ASSESSMENTS - READING, MATHS AND RE

Did you get a chance to check out your child's work via our Seesaw app at the end of last term? If not, then please take the time to go in and see what we have been up to here at school.

HATS PLEASE

Just a reminder to dust off the children's school hats, and perhaps give them a wash and send them along to school please. Being a SunSmart school, all children are required to wear their school hat when playing outside in break times, thanks.

Our Lady of the Sacred Heart School promotes the safety, wellbeing and inclusion of all children.

School News

In our Prayers this week...

This week we ask that you keep our students who are preparing to receive sacraments in your prayers. We also pray for all those who are currently being affected by the higher than average rainfall across our region as well as the wider Australian community. May those who are experiencing flooding be kept safe from harm.

Canned Food Drive

After three terms of fantastic food drives, we want to finish the year off strong! We are once again asking each family to bring along an item of canned food to help our community stock up their pantries. We thank you for your continued support!
