## From the Principal ...

Dear Families

A nice cold and wet week to finish off our term!! I hope the school holidays give us some reprieve from these challenging days. I hear a few families are escaping to the sun over the break - enjoy!!

### THIS WEEK

This week is our last week of term:

- School finishes at 2.25pm on Friday
- We having a 'sports dress up day' on Friday

### SCHOOL REPORTS AND SEESAW ASSESSMENTS

As you already know, our teachers put a great deal of time and effort into our reporting and assessment for our learners. One way of showing your appreciation of this work is to go online and have a look at the mid-year report and the Seesaw posts and to talk about these with your children. It is amazing how important it is that your children know that you are really interested in their school work and how they are progressing. I know first-hand, from my experience with my own children, that their academic performance lifted when they knew that I was interested and asking questions about how they were getting on. I know many of you will be doing this already, but it doesn't hurt to get a reminder along the way every now and then also!

Just a reminder that reports were released yesterday around 4.30pm and can be accessed either via your SIMON or PAM accounts.

### DENISE UPDATE

Denise gets back to Australia on Monday. It will be lovely to have her back to hear all about her amazing learning and experiences whilst in Chicago. I'll get her to put something in our first newsletter next term about this once in a lifetime opportunity.

### PUPIL FREE DAY- FIRST DAY OF TERM 3

Another reminder that the first day of Term 3, **Monday July 10, is a Pupil Free Day.** Our staff will be focusing on how to ensure ALL learners are growing and having their learning needs met, especially those who are experiencing difficulty in accessing the curriculum.

Students first day of school for Term 3 will be Tuesday, July 11.

## Out School Hours Care Support Elmore Field Days Volunteers

OSHClub operates a daily afterschool care service for all school aged children in Elmore from 3.20pm - 6pm.

The venue for this is Elmore Primary School. Students attending Our Lady of Sacred Heart PS can be transported to the venue by Dysons bus service (at no cost) at the end of their school day.

This service is not open to kindergarten aged students.

We are currently seeking an Expression of Interest (EOI) for families to use this service for the for the 3 days of the Elmore Field Days, October 3 -5th.

This service will be gap free - meaning there will be no out of pocket expense for families.

However, parents must complete the Commonwealth Child Care Subsidy applications and online enrolment.

Assistance with this process can be reached by contacting Casey on 0497372444.

This is designed to make it easier for parents to volunteer for your schools fundraising rosters.
