Fri 15 <sup>th</sup>	<b>Last Day Term 3</b>

## From the Principal ...

Welcome back to Term 3 everyone! I hope you managed to stay warm over the previous two weeks and also enjoyed the change of routine for yourselves and the children.

### LEARNING CONVERSATIONS - TUESDAY JULY 18

I encourage all families to please book a Learning Conversation with your child's teacher. This provides all of us with a great opportunity to share information about the children so that we all come to know more about each other and can support each other in the most meaningful way possible. These will take place next Tuesday, July 18 between 2.00pm - 6.00pm. Please access the booking sheet via SIMON.

### WELCOME BACK TO DENISE AND KIM

It is lovely to welcome Denise back from her trip to Chicago. She could not be more glowing about the whole experience and I am really looking forward to our school community reaping the benefits of this life changing event for Denise.

Also, it is great to have Kim back on board after her little (ish) surgical procedure at the end of last term. She is not quite back to her old self but it is wonderful that she could begin the school term with us this week.

## CONGRATULATIONS FRANKIE

Today Frankie travelled all the way to Melbourne to represent OLSH in the State Cross Country Championships. We are all so proud of her efforts. To have the chance to compete against some of the top long-distance runners in the state is an honour and a great achievement! Well Done Frankie!

## ELMORE FIELD DAYS - A MESSAGE FROM THE CATERING COMMITTEE

Without the BnS Ball this year, the Elmore Field Days event is OLSH's main fundraiser for 2023. We're seeking families to volunteer their time with the catering committee in order to fundraise money for our school. With just 21 volunteer shifts to fill - that is only one shift per OLSH family! If you're not available, perhaps you have a friend or extended family who may be free to help out. Anyone who can make a sandwich, butter bread, sell food and drinks, make coffee or even do dishes - please consider volunteering this year.

OSH Club based at Elmore Primary School is even offering free after-school care program during the Field Days week to assist with families volunteering.

To claim your preferred shift, please click on the following link and fill out the online form: <https://tinyurl.com/EFDCCVolunteer>

*Our Lady of the Sacred Heart School promotes the safety, wellbeing and inclusion of all children.*
