## From the Principal...

Dear Families,

Thank you to the 5 families who have completed the 'School Satisfaction Survey' - which finishes tomorrow, Friday, October 27. If you haven't yet done this survey I would really appreciate you taking the 20 minutes required to jump online and do it. If you have lost your login information, please just contact me and I'll resend it to you!

### Pupil Free Day and Public Holiday - Nov 6 and 7

Just a reminder that the Melbourne Cup public holiday is next Tuesday, November 7. Our staff will also have a report writing day on the Monday before this, which means that there is **no school on November 6 and 7** - I hope you get to take advantage of this little break in the schedule.

### Year 5/6 Canberra Camp - Nov 20 - 24

The Year 5/6 Canberra Camp is fast approaching. On Tuesday we sent out an information pack to all families with forms to sign and send back and detailed information about the camp itself. If you haven't yet laid eyes on this please check your child's bag! Please note that any medication that needs to be taken whilst on camp must be accompanied by the 'Medication Authority' form which is to be signed by your GP or the Chemist dispensing the medication.

### Mission Day - Nov 10

Our learners are busy preparing for their Mission Day stall on Friday November 10. The day itself will run from 11.00 - 2.00pm. Jess Meanley is again coordinating the food and plant stalls on the day. This week she sent home information and requests for support on the day. Please take the time to look this over and offer any support that you are able to give.

## Welcome Jannah

Starting on Friday November 3, we are going to have Jannah Donaldson doing a day a week in the office for us through to the end of the year. Jannah has previously been in an admin role out at Fosterville mine and has a 2 year old and a 1 year old at home. Please come in and say hello to Jannah and make her feel at home in our brilliant community if you are about next Friday.

## LEARNERS OF THE WEEK

WEEK 3: Congratulations to Hayden, Ayla, Jimmy, Cassidy and Lakota for being named our Learners of the Week!

Dear God,  
Help me to understand the ways in which other people are just like me and to respect them.  
Help me understand the ways in which other people are quite different from me and to respect them.  
We ask this prayer through Christ our Lord.

Amen.

In our Religious Education class, the junior students heard the classic story of the "Rainbow Fish," whose theme promotes sharing. After discussing the story, we made our own Rainbow Fish and talked about how we can share and promote fairness in our world. This included giving our time, donating clothing and furniture, and offering our prayers.
