Occupational Health and Safety Governance Policies and Procedures

The OHS Governance Policies and Procedures set out the detailed processes and procedures we have adopted to meet our OHS obligations. In this section we address policies and procedures relating to:

- [Joint responsibility and consultation with other employers](#)
- [Consultation with workers, including OHS Issue Resolution](#)
- [Health and safety training, education and supervision](#)
- [Hazard identification, assessment, controls and hazard registers](#)
- [Record-keeping and OHS program maintenance](#)
